### INCLEMENT WEATHER POLICY: *PLAY AT YOUR OWN RISK!*

Rolling Hills Golf Club does not possess an inclement weather warning or detection system, and is under no obligation to warn, retrieve, and/or remove anyone from the golf course due to inclement weather, including lightning. Rolling Hills Golf Club assumes no responsibility for injuries or damage caused by inclement weather.

*Golfers may suspend their round at any time upon their own determination of the dangers of playing conditions, and may be eligible for a rain check credit for holes not yet played.*

### PACE OF PLAY

The expected pace of play at Rolling Hills is **2 hours for 9 holes**, and **4 hours for 18 holes**. Actual pace may vary depending on conditions. In order to ensure an enjoyable, steadily-moving round of golf please:

- 1) Select tees appropriate for your ability, keeping in mind factors like green speed and course rating rather than just gross course yardage;
- 2) Keep within one shot of the group ahead;
- 3) When there is an open hole ahead of your group, always allow faster groups to play through.
